1. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- ??????????????????????????????

- friendly

- Strong concept explanations, very receptive to confusion, and overall a very good TA. Has significantly helped my understanding of the concepts in this class.

- Strong mastery of the course content, patient and always help students understand the course content and learning instruction to the best of his ability

- They know the subject

- This instructor helps one understands concepts clearly.

2. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- ???

- goes too fast when explaining concepts to students

- The fluency of teaching may be more clear.

- They need to be more thorough when walking students through problems because they will skip steps. This is a pretty theoretical and new type of subject so it's very easy to get lost if steps are skipped.

3. Please detail other characteristics of the Instructional Assistant (if applicable).
